Subject. Proportionate Share of pension debitable to the Mysore Revenues on behalf of Mr A. J. Michell Asst Inspector, Salt, Abkari and Customs Deptt Bezwada circle

---

Memo No. 2469 dated 18th May 1904 from the First Asst to the Hon'ble the Resident in Mysore

---

Mr Michell was in the Service of the State from 1st December 1874 to 20th September 1880, when he took Six months leave without allowances and took up Service under the British Govt as 5th class Inspector of Police, Salem Dt from the 21st September 1880, the same date on which the leave commenced. The question has now risen whether the Durbar is liable to bear a proportionate Share of the pension for the Services above referred to, rendered by Mr Michell

21

The question being mooted and referred by the Accountant General, Madras, to the Comptroller in Mysore, the Comptroller in Mysore stated that unless Mr Michell had been transferred to the British Service as the result of formal correspondence between the Madras Govt and the Durbar, he could not, under the provisions of ash 38* (a) of the British Civil Service Regulations, accept the proportional Share of Mr Michell's pension for his Services in Mysore. The Account General, Madras, in reply pointed out that Mr Michell secured an appointment under the British Govt from the same date on which his leave commenced and in the ~~same~~ same manner as an officer under one Deptt would secure an appointment in another Deptt, with the knowledge and consent of the Head of his office or Deptt. Thereupon the Comptroller in Mysore stated that it was not proved if Mr Michell secured the appointment under the British Government with

* Flag A

with the knowledge and consent
of the Head of his office in Mysore
and suggested that Mr Michell
might be called upon to furnish
information regarding the circum-
-stances of his giving up Mysore
Service. The Accountant General
then referred the question to the
Hon'ble the Resident in Mysore
for orders. The First Asst Resident
stated in reply as follows:—

"In order to comply with the
provisions of art: 389 (a) of the
Civil Service Regulations, it is
necessary for both the British
and Mysore Govts to satisfy
themselves that Mr Michells'
case was one of transfer
and not of desertion. The
Resident is sure that the
Durbar will accept their
share of pension in this
case if it could be shown
that Mr Michell took up
British Service with the
previous permission of the
Head of his office in Mysore

or

or duly resigned Mysore Service after the expiry of his leave, but before addressing them in the matter Sir James Boswillow will be glad to know whether ~~Mr. Michell~~ Mr. Michell can furnish any information as to the circumstances under which he came from Mysore to British Service and produce any papers bearing on the point"

Thereupon the Accountant General secured the papers available on the subject from Mr. Michell and forwarded them to the Hon'ble the Resident in Mysore. The Hon'ble the Resident has now forwarded the whole correspondence on the subject for favour of an expression of the Durbar's views.

2. The whole question hinges upon art. 389(a) of the British Civil Service Regulations. It says "in the case of

of officers × × × × × ×
transferred to the British
Service proper before 1st Octr
1882 × × × × ". Transfer would
imply formal correspondence
between the two Governments.
But in the present case, as
Mr Michell gave up Mysore
Service while the State was
under the British Administra-
-tion, the Comptroller thought
it enough if Mr Michell
had accepted British Service with
the knowledge and consent of
the Head of his office in which
he last served in Mysore and
so suggested that the papers
which would throw light on
the point might be secured.
The Hon'ble the Resident is also
of the same opinion. The copy
of the Memo dated 18th September
1880 from the Deputy Commr of
the Kolar Dt which Mr Michell
has accordingly produced, does
not show that he accepted
the

the British Service with the ~~—~~
Knowledge and consent of the Head
of his office. The papers, however
may be forwarded for opinion to
the Comptroller in Myore to whom
the records obtained from ~~Mr~~ ~~—~~
Mr Michell should have been
sent by the Accountant General
instead of to the Resident, as the Comptroller
Resident, as the Comptroller
only objected provisionally to
accept the proportionate share
till he is informed of the cir-
-cumstances under which
Mr Michell gave up Myore
Service.

In the letter of Mr Mitchell of the 6 March 1881 addressed to the Deputy Commissioner, he states that the last land in this district cannot be described. I am inclined to believe that the word is "in-ordinance". Whatever it may be it is evident from the context that Mr Mitchell took up the appointment under the British Government with the cognizance of the head of his office and the claim thereon for a proportionate share of pension from the Mysore Revenues for service rendered in that state, is in my opinion, tenable.

Enc X. Copy of letter No.Pen.V.592/13153, dated the 21st March 1904, from the Accountant General, Madras to the First Assistant to the Hon'ble the Resident in Mysore.

-respondence noted in the margin that transpired between this office and the Comptroller of Mysore regarding the admissibili-ty of the claim preferred by Mr. Michell to service rendered in Mysore prior to his taking up an appointment in British service, and to request that you will be good enough to obtain the orders of the Hon'ble the Resident in Mysore as to whether I should accept as final the opinion expressed by the Comptroller and accordingly reject Mr.Michell's claim as inadmissible under the rules.

Mr. Michell, who commenced service in the Mysore State while the Province was administered by the British Govern-ment was granted leave without allowances by the Head of his office in Mysore for six months from 21st September 1880 evi-dently with a view of enabling him to secure an appointment

under

under the British Government as a 5th Class Inspector of Police in the Salem District (the date of his appointment as such being identically the same as that on which his leave commenced) in the same manner as an officer of one Department under British Government secures an appointment in another Department with the knowledge and consent of the Head of his office or Depart-ment. There was therefore no break in the continuity of his service. But the Comptroller of Mysore argues that because Mr. Michell's transfer to the British service was not established as the result of any formal correspondence between the Governments of Madras and Mysore, he could not accept the proportionate share of Mr.Michell's pension for his service in Mysore. This objection was not however urged in previous similar cases, and if accepted as final would I fear, affect all similar cases in future, as this office would be compelled to reject on the same ground any claim preferred to any share of pension in respect of service rendered in the British service by an officer who served in both Governments viz. Mysore and the British Govern-ments. I would add that under Article 419 (b) of the Civil Service Regulations had Mr.Michell even resigned his appoint-ment, to take up another appointment, service in which counts,

such

such resignation cannot be held as an interruption entailing forfeiture of past services. I have therefore considered it de-sirable to refer the question to the Resident for orders for any guidance in this and future similar cases.

Copy of letter No.1667, dated the 30th March 1904, from the First Assistant Resident to the Accountant General, Madras.

I am directed to acknowledge the receipt of your letter No.Pen.V.592/13153, dated the 21st March 1904, regarding the proportionate share of the pension of Mr.A.J.Michell, Assist-ant Inspector, Madras Salt and Abkari Department chargeable to the Mysore State.

2. In reply, I am to state that, in order to comply with the provisions of article 389 (a) of the Civil Service Regula-tions, it is necessary for both the British and Mysore Govern-ments to satisfy themselves that Mr.Michell's case was one of transfer and not of desertion. The Resident is sure that the Durbar will accept their share of pension in this case if it could be shown that Mr.Michell took up British service with the previous permission of the Head of his office in Mysore ~~and~~ or

duly

duly resigned Mysore service after the expiry of his leave, but before addressing them in the matter Sir James Bourdillon will be glad to know whether Mr.Michell can firnish any information as to the circumstances under which he came from Mysore to British service and produce any papers bearing on the point.

3. I am also to request that Mr.Michell's service book may be forwarded for the Resident's perusal.

Enc.x Copy of letter No.Pen.V.40/1203, dated the 4th May 1904, from the Accountant General, Madras, to the First Assist-ant to the Hon'ble the Resident in Mysore.

With reference to your letter No.1667, dated the 30th March 1904, I have the honour to forward herewith the service Book of Mr.Michell, and a copy of letter No.202, dated 15th April 1904 addressed by him to the Secretary to the Commission-er, Salt Abkari Revenue, Madras with its enclosures relating to the circumstances in which he was transferred from the Mysore to the British service, and to request you to return the service book when no longer necessary. The Durbar will perhaps now be able to accept the proportionate share of Mr.Michell's pension due in respect of his earlier service in the Mysore State.

Sir,

With reference to your docket No. Fl 1/7-03 dated 1st July 1904 relating to the proportionate share of pension debitable to the Mysore Revenues on behalf of Mr. Michell, Assistant Inspector, Salt, Abkari and Customs Department for services rendered by him in Mysore prior to September 1880, I have the honor to forward herewith all the available papers (as per plerist hereto attached) connected with the grant of leave to Mr. Michell while he was at Kolar as Police Inspector.

2 He was granted six months leave without pay in Secretary's docket No. 483/20 dated. 20th September 1880 and a Copy of it was

forwarded to him in No. 143 dated 21st idem. It will be seen further that Inspector Dr. Michell was informed in No. 158 dated 11.10.80. (extract from the "Jo" Register put up) that under the new Scheme, the maximum pay of Inspectors would be fixed at Rs. 500/- per mensem and was asked as to whether he liked to continue in or to disconnect himself with the Police Department of the Mysore Province He ——— acknowledged the receipt of the above reference and stated in reply in No. 133 dated 18th October 1880 that he was not then in a position to give a definite answer but would, after the expiry of the six months leave do so, should it be his intention to disconnect himself from the Mysore Police.—

3. It will also be seen that after the expiry of the six months leave he applied from Salem on the 6 March 1881 for an extension of leave for a

further period of six months, and was in reply, (enclosing the extract from the Chief Commissioner's Proceedings No $\frac{606}{29}$ of the 16th Feb: 1881 Copy not available in this office) told that the leave applied for could not be granted.

4. I beg to state that there is no reference in this office to show that Mr. Michell resigned his service at the expiry of the leave granted to him or to show that Mr. Michell took leave to take up service under British Government.
